

Telephone Directory

April, 1917

This telephone directory was created by the Michigan State Telephone Company, a unit of the Bell System of the American Telephone and Telegraph Company. It's dated April, 1917- the same month the US declared war on the Central Powers.

Sixteen communities in the company's Cadillac district are included in this 64 page booklet:

I put together this pdf from the directory belonging to my great-grandfather, Luther L. Finch of Arcadia, Michigan. The original's pages are an aging gray newsprint which I scanned in color and converted to black and white for good readability. The scans are in the 100-150 ppi range. I have higher quality TIF files of the directory saved. If you need such please contact me at steve@dryhillpress.com .
